SKILLS

AI & Machine Learning

Python · Scikit-learn · PyTorch · TensorFlow

Generative AI

LLMs · RAG · AI agents · Prompt engineering · OCR

Data & BI

SQL · Pandas · Power BI · Streamlit · Excel

Cloud & tools

Docker · Linux · Git · Google Cloud · AWS

Cybersecurity

Intrusion detection · Networks · Cryptography

LANGUAGES

Arabic • French • English

CERTIFICATIONS

Google — Generative AI, LLMs, Responsible AI (2026)

AWS Educate — Cloud storage (2026)

STRENGTHS

Teaching · Rigor · Autonomy · Teamwork

Ilyass Boudrioua

Master's in AI & Cybersecurity · Data & Artificial Intelligence

I build AI and data solutions end to end: I prepare the data, train models, integrate LLMs and ship the tool online. As a former computer science teacher, I explain complex topics in simple words. I am looking for an end-of-studies internship in AI, Data or Cybersecurity.

PROJECTS

Morocco Wildfire Calendar — 2026

NASA Space Apps Challenge · feux-maroc.streamlit.app

- I merged 24 years of NASA satellite data (MODIS and VIIRS) into one reliable series.
- I corrected the data month by month and validated the method year by year.
- I published an interactive app: map, fire calendar and abnormal months.

24 years of data · −12% error · Found the 2022 wildfires

AI Agent for Network Intrusion Detection — 2026

Machine Learning · LLM · Streamlit

- I trained a Random Forest model on more than 125,000 network connections.
- An LLM explains every alert in plain language for analysts and non-experts.

96.6% precision · F1-score 0.75

MarocAI PME — multilingual AI assistant — 2026

Document processing · RAG

- I built a pipeline that reads PDF, Word, Excel and scanned files (French and Arabic OCR).
- I wrote 30 test questions in French, Arabic and Moroccan Darija to evaluate answers.

EXPERIENCE

Machine Learning Intern — Prodigy InfoTech — Oct 2026 – Present

Remote

- I run Machine Learning projects in Python, from data exploration to model evaluation.

Computer Science Teaching Intern — Ouled Hriz High School — Jan 2023 – May 2025

- I taught algorithms and programming to high school students.
- I prepared lessons, led lab sessions and supported each student.

EDUCATION

Master's in Artificial Intelligence & Cybersecurity — 2025 – Present

Faculté Polydisciplinaire de Béni Mellal · Sultan Moulay Slimane University

Average ≈ 14.8/20 · Statistics 19.7 · Information Theory 17.5 · Machine Learning 17

Bachelor's in Education, Computer Science — 2022 – 2025

ESEF Berrechid · Hassan First University

Honors every year
